We are a community that works and learns together to cultivate a culture of excellence and equity for all of our students and staff. We are committed to developing strong learning partnerships with our focus students where students excel in a standards-based curriculum, engage in collaborative learning experiences, and experience social/emotional learning to prepare them to be critical thinkers, so they are college, career, and community ready. Our work is guided by our school improvement plan and progress monitored throughout the year.

School Principal: Kyle Walsh

Equity Vision

We at Toki Middle School will ensure rigorous curriculum through anti-racist and unbiased teaching practices, by creating a safe and restorative community, and valuing student, staff and community voice.

Strengths

Toki's key strengths are the diversity of our student body and a student-centered staff. Students have creativity and leadership opportunities that raise student voice and encourages them to share feedback. Our staff works collaboratively and plans intentionally to respond to student needs and support them in excelling in rigorous core curriculum.

Area for Growth

We will continue to learn about implicit bias and systemic racism in order to be anti-racist educators with the purpose of serving our school community. We will deepen our understanding and use of inclusive practices and restorative justice so that we intentionally foster a sense of belonging for all students.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
