FROM THE PRINCIPAL

Dear Toki Families and Friends,

Student-led conferences were an excellent opportunity to communicate with families about your child’s progress and answer any questions regarding what’s happening at school. We are thankful that so many of our families participated in the student-led conferences. Communication enables us to work together to meet the needs of our students and challenge them to be their best. We welcome your feedback and encourage strong relationships between home and school!

Congratulations to our Band/General Music instructor, James Wesson, 8th grade Language Arts/Social Studies teacher, Katie Imhoff, and Instructional Coach, Carlene Bechen, for receiving grants from our individual school endowment fund from the Foundation of Madison Public Schools! The total awarded this year was $1,308.

**Smartmusic** is a new, innovative and creative way to run the band classroom. It helps students learn because it is standards-based, allows for differentiated instruction, contains data driven assessments and is a 21st century learning tool. The funds will be used to purchase one teacher SmartMusic subscription ($140 awarded to James Wesson).

**Intentional Mentoring Program** targets mentors interested in helping close the achievement gap within our school systems. This achievement gap is both academic and social. Some students have a support network; others are less connected and may have a more difficult time standing in the face of adversity. The funds will be used for binders and books for mentor training and resources and activity supplies for the after-school program ($600 awarded to Katie Imhoff).

**Garden Project** - Each year, Toki teachers continue to involve students in innovative projects in the garden. Sustaining and maintaining our garden enables Toki teachers to continue creating opportunities for students to have experiences growing healthy food and is of great importance to Toki Middle School and the surrounding community. The funds will be used to purchase plants, seeds, bulbs, straw, composted soil, mulch, lumber for benches and raised beds, gardening tools, composters and curriculum materials ($568 awarded to Carlene Bechen).

All three grade levels have elected student leadership council representatives. Ms. Fairchild and Ms. Jensen are the 6th grade advisors; Ms. Pearson and Ms. Wagner are advising 7th grade; and Ms. Martinez and Ms. Sherry are working with 8th grade. Our 8th grade student council sponsored the first spirit day—Mismatch Day! Stay tuned for more updates on the leadership councils.

Believe it or not, we are planning for the 2015-16 school year. High school transition informational meetings, for 8th grade parents/guardians, are scheduled in January (more details inside this edition of the Toki Times). Sixth and seventh graders will choose their electives in February.

Happy Holidays!
Nicole Schaefer, Principal

SIXTH GRADE COMMUNITY DINNER

The 6th grade staff and students are excited about the 4th Annual Celebration of Learning and Community Dinner. The Celebration of Learning, on Thursday, December 17, at 5:00 pm, will highlight projects created by 6th graders in science, social studies, math, reading and language arts. Projects will be displayed in 6th grade classrooms.

The Community Dinner, in the cafeteria, will feature dishes prepared by 6th grade families and are included in the language arts project, a book of memoirs and favorite family recipes.

All families are invited to attend the 6th grade Band and Chorus Concerts, in the gym, following the dinner.

**Elegant Farmer Pie/Dessert Sale was a BIG Success!**

**Thank you** to all who placed orders for the Elegant Farmer fundraiser. We hope the pies and desserts added some deliciousness to your holiday! Toki’s PTA earned approximately $2,200 through your sales! This money will go toward various student and staff opportunities, events, supplies and needs throughout Toki.

**Congratulations** to the students from Ms. Grice’s, Ms. Wagner’s and Ms. Imhoff’s CREW classrooms who earned pie parties. These classes had the highest sales at their grade level. Also, **congratulations** to Moesa Werkheiser, a 6th grader, who was randomly chosen to win an Apple gift card from all students who handed in their forms by the deadline. **Huge congratulations** to Kaia Goldstrand, a 6th grader, who sold the most items this year. She won a VISA gift card. Nice job everyone!

A note of appreciation also goes out to the volunteers who helped make this fundraiser run smoothly – several Toki parents, school staff and student volunteers. We hope to have your help again next year!

Mismatch Day
Course Selection Process for Grade 9
Memorial High School Attendance Area

Memorial’s counselors visit 8th grade classrooms of the Memorial attendance area feeder schools at the end of January. Their presentation orients students to the academic program and the process for enrolling in 9th grade. An overview of life in 9th grade and an introduction to the sports and extra-curricular programs is also included in the presentation. Students will receive registration materials, including course selection cards, to take home to parents/guardians.

“How to Register for Grade 9” presented by Memorial Counselors. Parents choose ONE to attend:

- Tuesday, January 19, 2016 7:00 pm – at Memorial High School Auditorium
- OR
- Thursday, January 21, 2016 7:00 pm – at Toki Middle School - All Purpose Room

Parents are invited to attend either of these two identical informational meetings. Topics covered will be the same as those covered in the classroom; a question and answer session will follow. Students will have two weeks to complete their course selection cards. These cards are due to math teachers on Thursday, February 4, 2016.

If your student is currently attending a private or parochial school, bring your daughter/son with you to ONE of the “How to Register for Grade 9” meetings, since s/he will not have attended the 8th grade public school classroom presentation. Enrollment packets and instructions will be available at this meeting. It includes the necessary enrollment instructions, a Memorial Curriculum Guide, and a 9th-grade course-selection card. Private and parochial school families need to return materials to Memorial’s registrar by Friday, February 15, 2016.

“Electives Discovery Night” presented by Memorial teachers.
This follow-up meeting for parents and students will round out your understanding of our elective curriculum.

- Tuesday, February 2, 2016 7:00 - 9:00 pm – at Memorial High School

“Get Ready to Be a Spartan” presented by Memorial staff.
Parents and students will meet Memorial staff and students involved with athletics, AVID, clubs and other activities to get excited about high school!

- Thursday, May 12, 2016 7:00 - 8:00 pm – at Memorial High School

“ELL Family Meeting” presented by Memorial ELL staff.
ELL staff will be contacting families to attend this meeting.

- Wednesday, January 27, 2016 7:00 - 8:00 pm – at Memorial High School

MSCR Junior Badminton Program

Students ages 8-18 (USBA Juniors age group) are welcome to register for the MSCR Junior Badminton Program. Learn badminton and get game practice with an emphasis on court etiquette, sportsmanship and fitness in a fun atmosphere! All skill levels are welcome. Beginners focus on fundamental skills including: correct and effective methods of hitting the shuttle, body position and movement, hand/eye coordination, rules and scoring. Intermediate and advanced participants practice skills refinement and game play including: overhead shots, clears, drops, smashes and lifts, smash returns and net drops, movement patterns and game tactics. The program meets Tuesdays and/or Thursdays, January 5 - March 10, 6:00-8:00 pm, at Jefferson Middle. Equipment will be supplied! Registration for each night is required to participate and experience this great activity.

Winter weather is here, so we want to take this opportunity to provide you with information about how decisions are made and communicated when the weather is severe. The safety of our students is our top priority, and we always follow a set of guidelines to make decisions about whether school will be open or closed. The district must make a decision that is the best for all students. We realize, at times, our decisions may not fit with your individual circumstances. Therefore, we encourage and strongly support you in making the decision that is best for your child(ren). You are always the best judge of your child’s health and safety. When schools close, many families have issues with child care. As a result, **we try to keep schools open** if it is safe to do so. However, parents can always make the decision to keep their child(ren) at home in bad weather.

**How do we decide whether or not to close due to snow, ice and/or extreme cold?**
The district monitors weather conditions beginning early in the morning and consults with meteorologists, the City of Madison, Madison Police and transportation providers. In fall 2015, we asked families to complete a winter weather survey in order to collect data regarding family preferences for school closings during winter weather cold days. The survey found that parents prefer that MMSD close schools when there is a Wind Chill Advisory (minus 25 to 34 F), as opposed to a Wind Chill Warning (minus 35 degrees or colder). In addition to the family survey data, we reviewed our district-wide attendance data by demographic groups. Families preferences are also supported by our district-wide attendance data. As a result, we are moving the school closing guidelines so that we will consider closing schools with a Wind Chill Advisory at negative 25 degrees. The survey also asked families about the time of the closing announcement. The majority of our parents surveyed want earlier notice of school closings, with the most commonly requested notice time being 9 pm the night before extreme cold is predicted. Therefore, we are changing our internal procedures so that we make every attempt to make the decision at 9 pm the night before so families have more time to plan.

**How can you find out if schools are closed?**
On days when the weather is bad, listen to any local radio or television station for information about school closing. If you provided your email address and/or mobile phone number during enrollment, you will be contacted in the morning regarding a school closing via email, phone and text message. You may also check our website at www.madison.k12.wi.us

**When schools are closed, are other activities canceled as well?**
When Madison schools are closed for the day, it also means that all activities scheduled in school buildings for that day are canceled, including all MSCR programs, after school programs and athletics.

**Why aren’t schools dismissed early on days when the weather is bad?**
Generally, once the school day has started, MMSD schools will not dismiss early to avoid complications with transportation and child care arrangements. However, if your schedule allows, and if you feel your child will be safer at home, you can pick your child up before the end of the school day.

We appreciate your understanding of the difficulties in making this decision, and your support in helping your child get to school safely on winter days. Please know that the safety of all of our students is our first priority when making all weather-related decisions.
El invierno ya llegó, por lo tanto queremos aprovechar esta oportunidad para brindarles información sobre cómo tomamos las decisiones y nos comunicamos con ustedes cuando el estado del tiempo es inclemente. La seguridad de nuestros estudiantes es nuestra mayor prioridad, y siempre seguimos una serie de normas para decidir si se abren o no las escuelas.

¿Cuál es el proceso para decidir cuándo se abren o no las escuelas debido a la nieve, el hielo y/o el frío extremo?
Miembros del personal del distrito evalúan las condiciones meteorológicas muy temprano en la mañana y consultan con meteorólogos, el Departamento de Vialidad y el Departamento de Policía de Madison y las compañías de autobuses. Durante el otoño de 2015, les pedimos a las familias que respondieran a una encuesta sobre el clima invernal para recopilar información sobre las preferencias de las familias en torno a la cancelación de las clases durante los días de frío en invierno. La encuesta reveló que los padres prefieren que las escuelas del Distrito Escolar Metropolitano de Madison (MMSD, por sus siglas en inglés) cancelen las clases cuando hay una advertencia de vientos helados (de -25° a -34° Fahrenheit), en lugar de esperar a una alerta (-35° Fahrenheit o más frío). Además de la información proveniente de la encuesta para las familias, revisamos los datos sobre la asistencia por grupos demográficos en todo nuestro distrito. La información sobre la asistencia en el distrito también respalda las preferencias de las familias. Como resultado, hemos decidido cambiar las normas de cancelación de clases y consideraremos cerrar las escuelas ante una advertencia de vientos helados con una temperatura de -25° Fahrenheit. La encuesta también les preguntó a las familias sobre la hora para anunciar la cancelación de las clases. La mayoría de los padres encuestados quiere recibir este aviso más temprano; la mayoría solicitó que cuando se pronostica un frío extremo, se haga el anuncio a las 9 p.m. de la noche anterior. Por lo tanto, cambiamos nuestros procedimientos internos para hacer todo lo posible por tomar la decisión a las 9 pm de la noche anterior a fin de que las familias tengan más tiempo para hacer planes.

¿Cómo pueden averiguar si se cierran las escuelas?
En los días cuando hay mal tiempo, sintonicen cualquier estación local de radio o televisión para recibir información sobre el cierre de las escuelas. Si al momento de matricularse anotaron un correo electrónico y/o un teléfono celular, se les contactará por la mañana cuando haya información relacionada con un cierre escolar. Pueden también informarse en nuestro sitio web: www.madison.k12.wi.us

Cuando se cierran las escuelas, ¿también se cancelan todas las otras actividades?
Cuando las escuelas de Madison cierran durante el día, todas las actividades programadas para llevarse a cabo ese día en los edificios escolares también quedan canceladas. Esto incluye a todos los programas de recreación (MSCR), todos los programas después del día escolar y las actividades de atletismo.

¿Por qué no se deja salir temprano a los alumnos cuando hay mal tiempo?
Generalmente, cuando el día escolar ya ha comenzado, las escuelas de MMSD no dejan salir temprano a sus estudiantes para evitar problemas con el transporte y con los arreglos de cuidado de los niños. Sin embargo, si el horario de trabajo se los permite y creen que sus hijos estarán más seguros en su hogar, pueden pasar a recogerlos antes que termine el día escolar.
