It will be a teen-friendly atmosphere which will include music and prizes to encourage all of our students to do their personal best!

How do students raise money? Between now and **Friday, May 4**, Toki students are encouraged to ask family, friends, neighbors and familiar business owners to sponsor their run with donations of \$10, \$5 or even \$1. (Students should use the chart on the back to help keep track of donations.)

What is the money used for? The money raised will be used for renovations to the library, expansion of our First Aid training and specialized fitness classes and benefits ALL Toki students.

What about safety? Toki staff and other volunteers will help insure a safe course with adequate hydration, nutrition, first aid, rest stops and bathroom breaks during the event.
